Hello, *fellow laborers in the Truth!* the Road to China

This month my home church, Vision Baptist Church, had its missions conference where we launched our theme for the year: Ready for Either. This is taken from a quote by a missionary that states we should be ready to give our lives either as a sacrifice to God, or in service to Him. Sacrifice or Service, Ready For Either! This will be the theme for the Our Generation Summit conference coming up this January 1-3 in Pigeon Forge, TN as well as the theme for the OG Camp this summer! • I had the opportunity to write two songs for the conference, one which is titled: "Ready for Either." Look for more information about it to come out on my blog. • The Taube and Walz families, Project China missionaries that were kicked out of China, have relocated to Taiwan to continue ministry in the Chinese language. Pray for them as they work on starting life and ministry there. I am confident that God can use them to do a great work there, as they had done in China! • Please pray for Carl, Nick, and Anna as I had the opportunity to share the gospel with them this month. Pray for their salvation as well as sanctification by the Word of God. • Also, this month, **I got engaged!**

Edward de los Reyes

my Fiancé!

Bethlehem Robi

I was born in Ethiopia and spent the first 11 years of my life in the capital, Addis Ababa, speaking Amharic at home and attending an international school where I started to learn English. My family and I moved to the United States in 2001. My parents raised me in a Christian home where Christ was the center of their relationship. But, it wasn't until my youth pastor's wife took personal interest in my need for the gospel and began to personally disciple me that I was able to see my need for myself. After diligently pursuing my young heart, Christ got a hold of me at 13 and I was saved at an Easter service that year. I began serving in that church's children's ministry. Later, God placed a burden on my heart to share the wonderful news of the Gospel with those that have never had the chance to hear it before. At 17, I surrendered my heart to going wherever He would send me to declare His glory (1 Chron 16:24). Recently, He has provided ways for me to serve Him at my home church, Vision Baptist Church, in the children's ministry and through different discipleship opportunities there. I am excited to see what The Lord has for the future and how I can be used to further His kingdom! I am excited to be doing His work! I am thrilled to have a chance to be a part of Edward's ministry and to reach those in China!

the Cookie Quote

Chinese Proverb: "A nation's treasure is in its scholars."
Biblical Truth: "The citizens of God's Kingdom have their treasure in heaven, not in anything of this world. It's not in wealth, knowledge, or any man; but, in the eternal."
