## Hello, *fellow laborers in the Truth!* the Road to China

This month, I had the opportunity to be a part of the Mini-Summit, which is a one day event to promote missions to teenagers. Put on by my mission board, Vision Baptist Missions, I, along with about six other VBM missionaries, had the opportunity to preach and share our hearts for missions! Two young people that attended the event have since moved to receive training towards missions at the Our Generation Training Center! • Last month I asked you all to pray for a young man named Patrick who I had met and had agreed to study the Bible with me. We have since built a friendship and have studied Biblical salvation- after which, he made a profession of faith! We have been going through discipleship lessons Matthew together multiple times a week. He has come to church faithfully and has even started bringing his friends. Thank you for your prayers! • Please pray for my neighbor who I started talking to about the Bible and the Gospel. His name is Rajneesh and he is a Hindu. We are supposed to meet up to specifically talk about the differences in our faiths.

## the Work in China

Tian Yi and Omega Baptist Church

Tian Yi came to Omega Baptist Church during my first internship in China. He was a college student at a local university and was invited by a friend. He came to church for awhile and through the grace of God he came to believe the gospel and put his trust in Jesus. He was baptized during my 6 week internship and by then had already decided he wanted to enter the ministry. He then began to train with missionary Jake Taube and later became the assistant pastor of Omega Baptist church.

During my 6 month internship we were able to live in the same apartment together and work together at Omega Baptist church. After a few years of training under Jake, he was placed as the lead pastor. He has been the lead pastor of Omega now for 2 years and in that time has seen the church grow spiritually under a lot of persecution. Pastor Liu Tian Yi is only 26 years old but has been arrested twice now for preaching the gospel of Christ. He is a bold

witness in a dark place and continues to go strong. Pray for Tain Yi that he will continue to strengthen himself through the word, that he will continue to be bold in his witness, and that God will empower him to lead his flock to be a light in their city.

## the Cookie Quote

from Chinese proverb,

to Biblical Truth.

Chinese Proverb: "A gem is not polished without rubbing, nor a man perfected without trials."

Biblical Truth: "Man is made perfect and righteous by the trial of the cross of Jesus."
