

Dear Fellow Laborers in the Truth, the Road to China

This month we had the opportunity to be a part of another Vision Impact Weekend! We had 30 young people in attendance from different churches in different states! Many have moved to Generation since the event! It is such a privilege to be able to help the next generation of minded people in the church and missionaries on the foreign field. I got the opportunity to preach and speak to them about my testimony and serving the Lord. Please pray for this group of young people, that God would use them to see the gospel spread all around the world! • A while back, we asked you all to pray for my wife's uncle, Nigusse, whom we shared the gospel with. This month he accepted Jesus as his Savior! Also a while back, we asked you all to pray for the family of her cousin who was murdered.

Well now Nigusse is bringing that young man's brother to church with him because he saw a change in Nigusse. Pray that the brother, Nebu, gets saved as well!

the Work in China

teaching

This month, a group of pastors and men from the churches in Harbin, China went on a mission trip to central China! They visited a few different regions in Gui Lin, China as they tried to help a church in this area! The man leaning forward all the way to the left is Xu Ning and the man next to him is Tian Yi. The other two are men from their churches. During my internship in Harbin, China, I lived with Tian Yi as he was training to be a pastor and I also helped with activities to promote Xu Ning's church as he had recently become a pastor and started his own church in another part of the city. How exciting it is to see these churches, not only continuing on themselves, but thriving in such a way that their blessings overflow into blessings for other churches in other parts of China! God is doing a work far beyond what we can comprehend or imagine. It is so exciting to

know that we are going to be a part of things like this. To see churches planted, established, and growing to help other churches in the country of China is a humbling and thrilling thought. We cannot wait to be there and begin the ministry that God planned for us! Please pray for the church in Gui Lin to be established and to grow and for the churches of the men in this picture!
