

TO CHINA WITH TRUTH

the de los Reyes family
2-18

- This month, I got the opportunity to **[preach]** for 5 minutes in Chinese! This was my second time preaching and I preached on Romans 6:23.
- Last month, my language school teacher was FanShouZhe, one of the Chinese guys training to be a pastor under Mark Tolson. However, this month he resumed his training classes with Tolson leaving me in need of a new teacher. We hired a Chinese guy whose English name is Steve. He is an **[unbeliever]** but part of his job was to help me learn Bible verses and phrases for an hour. This gave me multiple opportunities to share the gospel with him. He would inquire about the meaning of some Bible verses and I got to explain them to him. He would be very interested in what the verses mean and then as soon as I'd tell him

he needs to trust Jesus, he'd quickly **[change the subject]**. However, he has come to church every week since he started teaching. Please pray for him to get saved!

- This month was Chinese New Year! This is the Christmas of China, the biggest holiday of the year. We had such an incredible and unique experience during Chinese New Year. We were able to travel to the village of BenXi, China to be with FanShouZhe's family. Though China is most known for its large cities, many of the city dwellers

HE'D QUICKLY
**CHANGE THE
SUBJECT**

grew up in villages. During Chinese New Year, the cities empty and everyone returns back to the villages to be with family. We got to spend 5 days experiencing life in the village. But, my favorite part was getting to **[share the gospel]** there! FanShouZhe took me around the village

meeting his friends some family I got to share the meeting up with and members. I got to share the gospel with his cousin and his old classmate. I documented some of the happenings around Chinese New Year in the village on the website. Check it out for more information and please pray for the salvation of these individuals!

- Beth has also been sharing the gospel with her teacher who is also an unbeliever. She has also declined the invitation to church many times now but **[finally came]** right before Chinese New Year with her mother and grandparents! Please pray for the salvation of these as well.

- **[Breaking News!]** The Summit is coming to Ohio! More information to come. Get ready!

[Praises]

- Opportunities to preach and share the gospel • Language school has begun!

[Requests]

- The salvation of those we have shared the gospel with • University classes beginning next month • Continued language studies • More opportunities to share the gospel
