

# TO CHINA WITH TRUTH

the  
de los Reyes  
family  
12•18

• This month the Kid's Club we teach put on a Christmas program. We had the kids perform some of the songs they learned as well as tell the story of the [birth of Jesus]! They invited many of their families and friends to come watch so many people heard the gospel for the first time that day! • This month the church saw [seven people] make professions of faith! I would like to tell some of their stories: • Last month, I wrote about a college student named Edison who got saved. This month, he brought [another one of their friends], Kě Sōng, to church. After that service, he also placed his faith in Jesus! After his Freshman year, Kě Sōng took two years off of school to serve in the Chinese army. Now he's back so while the rest of his friends are Seniors, he is a Sophomore. He has been coming faithfully to church and is also going through discipleship with Edison! • A few months ago, I was passing out flyers inviting people to come to the Kids Club that we teach. I saw a young mother with her son so I invited them to come. They began coming faithfully. Towards the beginning of December, they stopped coming, but then sent a message saying they would come back for the kids Christmas performance and that she was [interested in becoming a Christian]. They came and that day she made a profession of faith! • Mrs. Sūn and her teenage son have been studying the Bible at the church very consistently. Though they have been studying the Bible for around three months, they

still haven't believed in Jesus. The Wednesday after Christmas, we had a special post-Christmas service. They came and the son brought one of [his classmates]. After the service, the girl believed on Jesus and got saved! She has come to church more after that and is getting plugged into a discipleship Bible study. Please pray for Mrs. Sūn and her son to get saved as well! • One of the boys who comes very faithfully to Kids Club brought his cousin on the day of the Christmas performance. During the invitation, the new boy raised his hand. His cousin isn't saved yet, and nudged him. "What are you doing? Why are you raising your hand?" "One day, [I am going to die]. I need to believe in Jesus." He made a profession of faith! After the service I talked with him. "Hey, I heard you believed in Jesus today!" "Yes, I did!"

**THESE INDIVIDUALS RECEIVED THE MOST WONDERFUL GIFT: JESUS!**

"You know, if you really believed, that means that, when you die, you'll go to heaven to live with God forever." "I did really believe!" Please pray for him to grow in his faith! • This Christmas season, these individuals received [the most wonderful gift: Jesus!]

[Praises]

• More salvations!

[Requests]

- Mrs. Sūn and her son's salvation!
- Beth's pregnancy!
- More language progress!
